

December Updates from Our Craft Studio!

Hi friend and fellow crafter,

I'm excited to share some updates with you about Knot & Purl. It's been an incredible December and I've been so grateful for all your support in spreading the word and even coming in to craft with us!

🌟 Santa's Snap-tacular: The Day(s) of Joy, Crafts, and Holiday Cheer!! 🌟

We are thrilled to share that our Pictures with Santa event was a tremendous success, filled with laughter, joy, and countless heartwarming moments! Due to overwhelming popularity, we even had to add a second day of photos to accommodate all the eager

families and their furry friends who gathered at Knot & Purl to capture magical memories with Santa. The atmosphere was truly enchanting, and it was so special to see the sparkle in the children's eyes as they shared their Christmas wishes and posed for pictures, while our crafting activities kept the creative spirits high. The combination of festive cheer, community connection, and the warmth of the holiday season made this event unforgettable. Thank you to everyone who joined us in making this day so memorable; we can't wait to do it again next year!

If for any reason you were unable to get your photos from Harry, please contact me. They are too special not to get your copy!! Click the links for a glimpse of the highlights on [Facebook](#) and [Instagram](#).
