

Exciting Updates from Our Craft Studio!

Hi friend and fellow crafter,

I'm excited to share some updates with you about Knot & Purl. I hope to make this a regular newsletter to keep you informed, answer questions and encourage creativity. Let me know what you think!

🌟 **Grand Opening Success!** 🌟

Where to begin! I can't begin to thank everyone enough for the support I received from those of you that attended the grand opening celebration or just sent me encouragement from afar. It was such a success and created the buzz I hope for. I'm thrilled to see the excitement on everyone's face as they toured the studio. I received a lot of incredible feedback and look forward to crafting with everyone soon. Click the links for a glimpse of the highlights on [Facebook](#) and [Instagram](#).

Need to work off some of the turkey and pie? Here are five Thanksgiving-themed workshops we are offering between November 22 - 28

- **Painted Wooden Turkey Signs:** Create charming turkey decorations by painting wooden shapes in festive colors and adding fun details with paint.
- **Yarn Art Fall Leaves:** Make beautiful yarn art by wrapping colorful yarn around a leaf template to create a textured and vibrant display of autumn leaves.
